INDIA SKILLS KERALA STATE LEVEL COMPETITIONS 2023-2024

Kerala Academy for Skills Excellence (KASE) is thrilled to announce the *India Skills competition* at the state level. **KASE** in association with **Industrial Training Department** hosts the competitions across the state of Kerala. This initiative aims to identify and encourage skilled individuals across the state. This prestigious event aims to promote the importance of skills that enables workforce transformation in an era of technology and automation.

The competitions will be held in various institutions and organisations across Kerala. This will provide a platform for participants to showcase their talents and gain recognition. Around **580** candidates are expected to compete and exhibit their talents in **38** different categories. Students who have completed their initial registration on NSDC's centralized web portal Skill India Digital and shortlisted by NSDC will be eligible to participate in this competition.

IMPORTANT DATES	04th May – Screening, 7th May – Zonal Level, 9th and 10th May 2024 – State Level Competitions

The eligible candidates from these competitions will represent Kerala State at India Skills National Level Competitions. This is the pathway that will take the participants to the **World Skills Competitions** which is planned to be held at **Lyon, France** on September 2024.

The Schedule and Venue details of the competition are given below. For further details,
